

# DePere High School Parent Network Directory 2011 school year

The Parent Network directory is a tool to support **parents** in their endeavors to provide a safe, fun, positive experience for their high school student. Being part of this directory is **voluntary**. Only the parents that sign the agreement listed in this directory will receive a copy.

*The intention in the assembly of the directory is that parents will use this tool to communicate with other parents to ensure a safe environment for our students when & where they gather together. You must provide an address and a phone number at which you can be reached if a parent has a question about an activity being held at your home.*

~ Parents who voluntarily participate in this directory agree to the following:

1. We will not serve alcohol/other drugs to students, or permit alcohol/other drug consumption by students during any student gathering in our home.
2. We will not knowingly allow an un-chaperoned student party to take place in our home
3. We will not knowingly allow our student to take alcohol or other drugs to any student gathering.
4. We will talk with other parents about where our own students are going and about whether an event is chaperoned, and alcohol/drug free.
5. We will welcome communication from other parents who have questions or concerns about events at their homes.
6. We give permission for our contact information and student's name to be published in the 2011 DPHS Parent to Parent Directory.

**If you agree to the above** and wish to have your name listed in the parent directory as well as have a copy of this directory emailed to you, please complete the information requested below and sign the form. Return it on registration day to the Parent Club table or send it to the High School office by **Monday, September 19, 2011** Only those forms received by 9/19/11 will be included in the directory. It is very expensive to print and distribute the directory. **If at all possible, please provide an email address to which the directory can be sent.** Emailed copies will be provided in a number of sorted formats (by student last name, by year in school and by parent last name). Printed copies will be provided one copy sorted by student last name and will be sent home with your high school student.

I AGREE to follow the guidelines 1-6 listed above in my household. I give permission for the **DPHS** Parent Club to include the information in the 2011 Parent to Parent Directory. I also agree NOT to use information obtained in this directory for marketing purposes.
